

A Ride for Jenna

Come enjoy a fall ride on Wolcott Mill's Equestrian Trails at Camp Rotary. Meet up with old friends and make new ones as we remember the wonderful life of Jenna Balabuch, a past member of Ray's Riding Rascals 4-H Club and rider of these equestrian trails.

When: Saturday, October 10th

Time: 10am, lunch at 12:30pm

Where: Camp Rotary, 20505 29 Mile Road (at Wolcott Road)

Bring your own drinks and lunch along with a dessert to pass. There is no specific route planned, just come and ride at your own leisure on 10 miles of trails. Bridle tags and waivers will be provided for those who do not already have them. Also, donations will be accepted to go towards a scholarship in Jenna's honor. If inclement weather, use your good judgment.

Please RSVP just so that I may get an estimate of how many riders to plan for. Last year there were about thirty riders, let's get even more out this year to celebrate the memory of such a wonderful person. And if you don't have a horse but would like to come anyways, please feel free to show up! So tell and invite your friends, print up and post fliers and come have a good time.
