

4-H Animal & Veterinary SCIENCE CAMP

MICHIGAN STATE UNIVERSITY

Explore the exciting field of animal and veterinary science with one of MSU Extension's premier pre-college programs! Practice veterinary medicine, research zoonotic conditions and discover careers!

4-H Animal & Veterinary Science campers will stay in a campus dorm and experience campus life, enjoying experiences such as:

- **Tours of on-campus clinics and labs** – Explore MSU's Veterinary Medical Center and Diagnostics Center for Population and Animal Health. Learn and interact with MSU faculty and veterinary students.
- **Potter Park Zoo** – Learn what life is like for someone who truly works with wild animals: an exotic animal veterinarian at the zoo!
- **Hands-on veterinary activities** – Try your hand at dissection, suturing, first aid, physical examinations, x-ray reading, animal handling and more.
- **Tours of campus farms** – Get a behind-the-scenes tour of the MSU Horse, Sheep, Dairy and Poultry Farms. Learn about research done on the farms from farm managers and faculty members.
- **Case study evaluations** – Work your way through a veterinary science case study to determine the best course of treatment before presenting your case to experts.

The 4-H Animal & Veterinary Science Camp is a collaborative program of MSU Extension, MSU Department of Animal Science and the MSU College of Veterinary Medicine.

**June 15–
19, 2015**

**Michigan State
University
East Lansing,
Michigan**

APPLY!

Youth aged 13 to 16 can go to http://4h.msue.msu.edu/events/4-h_animal_and_veterinary_science_camp to apply. Space is limited! Campers will be selected on the basis of their applications.

Send your application to Julie Thelen at MSU Extension by April 17.

Questions? Call 517-432-1626 or email thelenju@msu.edu.

LOW COST!

The cost to attend this five-day camp is **just \$300** (\$310 for youth who are *not* 4-H members) and includes all meals, transportation to field trips, lodging and materials.
