## **Lifecare Innovations Wins Annual Award for Business Excellence**

The Daily Herald Business Ledger has selected Lifecare Innovations, Inc., as a 2012 recipient of the Annual Award for Business Excellence. The AABE awards are given for business achievement, growth and community involvement, and are presented to “outstanding suburban companies, business and nonprofit organizations and honor the people who make them successful”, per the Daily Herald Business Ledger’s own description.

Lifecare Innovations, along with the other honorees, will be formally recognized at an awards reception and ceremony on March 15, and a profile of the company will be featured in the April 16 edition of the Daily Herald Business Ledger.

Lifecare Innovations is an award recipient in the “medium company” category (51-150 employees). Categories also include small and large companies, educational institutions, non-for-profit organizations, retail, trade association/professional society, minority-owned business, among others. Nominated companies may be privately or publicly held.

The editorial staff of the Daily Herald Business Ledger conducts the judging. They select a total of 20-25 companies to be honored.

Shay Jacobson, President of Lifecare Innovations, was the recipient of an Influential Women in Business Award from the Business Ledger in 2005, and the company won a Better Business Bureau Torch Award for Marketplace Ethics in 2008.
