NC Fisheries Workshop Update:

I have gotten a lot of good feedback about the workshop, but cannot plan any further without a confirmation from folks who wish to attend. If any of you, or your employees/fishermen/associated workers would like to attend, I need confirmation via email at davidbush@ncfish.org, or by phone at 910-777-1605.

The date is set for September 17th in New Bern, and if things go well, there will be future opportunities for those that missed it to attend.

Please check with your folks and reply as soon as possible so that this can move forward.
