

NC Fisheries Association

2016 Annual Meeting & Workshops

Agenda

- **10:00-2:00** **Bycatch Reduction Workshop**
(Kevin Brown-NCDMF & Sara Mirabilio-NC Sea Grant)- Discussion on 2015 research results, and potential options for 2106 research. *Working Lunch.

- **2:00-3:00** **Southern Shrimp Alliance Industry survey?**
(John Williams & Nathan Ricard-SSA) - Update on pending expiration of 5-year tariff levied against imported shrimp.

- **3:00-?** **NC Fisheries Association Annual Meeting+**

***Public attendance is highly encouraged for all events, although there will not be time set aside for public comment during the Bycatch Reduction Workshop. If you have comments or suggestions for this workshop, please email them to David Bush at davidbush@ncfish.org no later than January 21st, 2016,**

***Lunch will be provided for workshop members; however, all others wishing to attend will need to make their own arrangements.**

+Attendance at NCFAs Annual Meeting is very important as critical issues will be discussed, including southern flounder and the election of the Board of Directors will be held. If you cannot attend, please send a proxy to davidbush@ncfish.org or call (252) 633-6232 ext 102.
