

# Support for the Parenting Journey

Join WSOC Pre-K teacher Miss Barbara for this informative, engaging series! Together we will explore how to provide a nurturing, rhythmic home life for your child. Through discussion, reading and study, we will examine how we can best support children's development, while allowing each to blossom in his or her own time.

Please join us on campus for six sessions designed to deepen your understanding of Waldorf Education and how it relates to the magical journey of childhood.

**Wednesdays, 9:45-10:30**

**October 7- November 11, 2015**

**Location: WSOC campus (TBD)**

***Adults only, thank you!***
