

PARENT EDUCATION EVENT

Painting Workshops with Angelika Kolbe

The so-called wet-on-wet technique is the painting method used in Early Childhood and throughout the Grades. Come and learn wet-on-wet painting in a relaxed environment from a true master. In addition to being a Waldorf class teacher for 16 years at the Waldorf School in Marburg/Germany, Angelika also taught drawing and painting to High School students. She trained at the Academy of Fine Arts at the University in Hamburg/Germany, and also at the Waldorf Teacher Training Seminar in Stuttgart/Germany. We are very fortunate to have her with us for the third time, offering this special parent education event. Please take the opportunity to join Angelika for these painting sessions.

The total workshop is 6 sessions. You may sign up for all 6 or pick and choose dates according to your availability.

Dates: May 5; May 7; May 8; May 12; May 14 and May 15, from 8.30 am to 10.30 a, in the Big Aftercare trailer.

To the cost of each session is \$20. Cash only please. Sign up in the front office. To view more works by Angelika [click here!](#)
