

# **May Kicks Off League Season – Signup Deadline Coming Up**

***By Mary Pat Wlazik***

## ***League Chair***

We are quickly approaching the start of league play at Charbonneau, Colwood, Glendoveer, Heron Lakes and Lake Oswego, with sign up deadlines for May leagues of April 25. Our sign-ups on the pdx.com website registration page are active now for the May Leagues, with all registrations activated at the time of the Kickoff. We continue to offer the flexibility of signing up for all weeks or just half the weeks each month.

We have confirmed new 9-hole morning leagues in June (RedTail on Mondays), July (Claremont on Thursdays) and August (RedTail on Wednesdays). The tee times for the morning leagues vary by month, but are all between 7:48 and 8:33 AM. We hope that by varying the courses and day of the week additional people will find these leagues an option for them. Thanks to Barbara Bracken for coordinating the June morning league, and to Mary Gilbert for coordinating the July and August morning leagues.

If you are new to EWGA, or new to league play, you may be wondering whether leagues are the right way for you to leverage your EWGA membership. If you have questions about all the available league choices - how they operate or which courses fit your skills - stop by the Leagues table at Kickoff on April 16. There will be League Coordinators available to answer your questions and help you participate in this fun and highly popular weekly activity. Consider which days and courses fit your schedule and your skills. As always, the deadlines for signup will be the 25th of the month preceding each month's play.
