

## **Clinic schedule shaping up for 2016 – are you?**

Even before April's Kickoff, you can get your golf game into shape with several clinics and education events. We are planning:

- Ladies Night at Golfsmith/GOLFTEC
- A weekly clinic at Tualatin Island Greens in March on golf basics
- Four clinics at RedTail with pros Cindy Lincoln, Paula Ketchum and Stuart Smart

Watch for Cindy Lincoln's Pro's Corner article in an upcoming newsletter on "Preparing for the 2016 Golf Season."

The Education Committee also is planning more offerings in April, but the schedule isn't firm. We are looking at another series of weekly clinics at Tualatin Island Greens on golf techniques and a repeat of last year's popular clinic at Eagle Landing.

We are working to try to meet your responses in the 2015 Member Survey, including possibly another 3 Pros/3 Skills afternoon. If you have any ideas or suggestions, please let me know. Email me at [education@ewgapdx.com](mailto:education@ewgapdx.com).

Also, if you would like to be on the Education Committee, we'd love to have you.
