

Marshal on Par-3 and see all the action

EWGA and MAC member Debbie Benschling is sharing the opportunity to marshal a par-3 hole at Columbia Edgewater Country Club during the 2016 Cambia Portland Classic.

MAC marshals will be located at the tee, fairway and green, most likely at No. 16, from June 30-July 3. Be there with a front-row seat to the action, especially if the event is close to the end on the final day!

Marshals rotate spots on the hole every few groups so you won't get tired in one position. They quiet the crowd, help players find wayward balls and help ensure the overall safety of the fans and pros.

You can sign up for a full- or half-day shift on three or four days of the event.

MAC Golf will pay for your shirt and you can buy an optional jacket for \$42. You will receive free entry into the Cambia Portland Classic every day of tournament week and a free volunteer parking pass, as well as another free weekly tournament ticket for a guest. Breakfast and lunch will be provided in the volunteer tent.

MAC Golf's volunteer effort at the Cambia Portland Classic will benefit the Evans Scholar Program, which awards college scholarships to caddies of modest means.

For more info or to volunteer, contact Debbie Benschling at debbenschling@comcast.net.
