

## Register now for BIG weekend trips

*By Susan Weiner, Events Chair*

This season, our Chapter has two *epic* weekends of away play: Central Oregon, in and around the Redmond/Bend area, and on the Northern Oregon Coast in Gearhart. Spots for these events fill up quickly as members plan their summer vacations and golfing jaunts, so check your calendars and then go to our website to register. Remember, you can bring a guest, so invite your spouse, significant other or a pal.

Escape the Portland-area heat! The North Coast trip begins on Saturday, Aug. 20, with 9 holes at the beautifully maintained and highly enjoyable Highlands Golf Course in Gearhart. On Sunday, play 18 holes at Gearhart Golf Links, the recently renovated and always fun McMenamin's course. We will meet at the Sand Trap Pub adjacent to the Gearhart Golf Links after each round. **Lodging is on your own**, so [book the golf here](#) and your hotel accommodations separately while you are thinking of it. Contact Susan Weiner at [events@ewgapdx.com](mailto:events@ewgapdx.com) if you have questions.

Our Central Oregon event begins Friday, Sept. 9, after school is back in session and the weather is still warm and fair. We will play Crooked River Resort that day, followed by drinks and food at the course restaurant. Saturday play is at Brasada Ranch Resort, one of the most beautiful and amazing golf experiences in all of Oregon. On Sunday, we'll golf Eagle Crest Resort's Ridge Course, a gorgeous and challenging, not-to-be-missed venue. **Lodging is on your own** and there are many great choices in Redmond and Bend. [Register for golf here](#) and find your own accommodations now! Contact Becky Maris at [beckymarisrealtor@gmail.com](mailto:beckymarisrealtor@gmail.com) or Lynn McAndrew at [mcandrewl@comcast.net](mailto:mcandrewl@comcast.net) with any questions.

TO REGISTER, go to: [WWW.EWGAPDX.COM](http://WWW.EWGAPDX.COM). *Log in* then click on the EVENTS button, then on Events Registration. You will be taken to our Registration page, where you must *sign in again*, then register and pay for each event.
