

Wine Tasting a TOTAL Success

By Marilyn Morfitt

Sixteen golfers enjoyed an afternoon of wine tasting at Total Wines' quintessential tasting room in Vancouver on Feb 27.

Nine tastings, from pinot gris to cabs, were poured by a sommelier who really knew his wines. Ron shared insights into wine-food pairings, how to rate the wines, and gave us great discounts on their fine selection.

Hint: The attendees' favorites will be part of a drawing at EWGA's April 16 Kickoff!

What better way to spend a rainy February afternoon with friends. It's bound to be an annual event!
