

## **Never too early to plan how to improve** ***By Bonnie LaFord, Education Committee chair***

Due to popular demand, we are planning to repeat several successful education events from last year. They will include:

- March clinic, all four weeks at Tualatin Island Greens, to concentrate on the golf basics: swing, bunkers, putting, chipping and more.
- Short game skills at Eagle Landing
- EWGA Night at GolfSmith/GolfTec at Tualatin/Cascade
- Clinic at RedTail Golf Center with Cindy Lincoln

Additions may include a four-week clinic at Tualatin Island Greens in April, to concentrate on the technical aspects of your game: techniques for different lies, hitting a high ball v. low ball depending on weather conditions, and more on special skills.

My committee and I also will use the survey results as a guide to try to meet the wants and needs of our members.

**Linda Simmons** has been added to the Education group, joining me and **Kay Williamson**. We could use more help, so if you can volunteer, email [education@ewgapdx.com](mailto:education@ewgapdx.com).
