

Be a part of our success

By Jodenne Scott, president

Have you ever wondered what goes on behind the scenes in the Portland Chapter of EWGA? Do you have leadership skills? Do you like to plan events? Do you like to network? How about writing or creative thinking? Now's your chance! There are four director positions with terms ending this season and we are looking for nominations (**including self-nominations**) to fill these positions for the 2017 Board. Positions available for a two-year commitment are:

- Communications director – Newsletter/Blasts, website and other communications
- Marketing director– Sponsors, public relations and other marketing of EWGA and Portland Chapter
- Membership Recruitment director – Networking to bring in new members and helping make their first EWGA experiences pleasant ones
- Events director – Planning 2017 weekend events

All these positions have committees to help you along the way – as will the director stepping down -- so you won't be all alone. We meet once a month as a Board. Time commitment varies by position. Come join our Board and help make the Portland Chapter the best there is. Answer the call to volunteer when contacted by our nominating committee. Nominate yourself or someone else you think would be a good fit. You can contact Cherie Maas-Anderson at memberservices@ewgapdx.com if you are interested or want to nominate your best friend!

A big thank you to those weather gods! What beautiful weather for the first week of June! We haven't seen these temperatures since 2003! As a reminder, most of our contracts with the league courses offer "**Heat Checks**" if the temperature is 90 degrees or above the day of play. If you feel it's too hot to play, please be sure to let your league coordinator know as early as possible so we can make arrangements. If you do decide to play, be sure to drink a lot of water before, during and after your game. You can use cooling scarves around your neck during your round. If you want one, contact me and I will get you in touch with Susan "Scoobie" Budeau – she has made some really nice cooling scarves we have been selling this season.

Get to our website and register for July leagues and events! The 25th will be here before you know it for the league deadline and the 28th is the deadline to sign up for our Chapter Championship. Don't miss out!

Cheers to birdies and pars!
Jodenne
