

### Georgia Baptist Convention

#### Cindy Fruitticher

Cindy serves as administrator in the Youth Ministries Department, and has been on staff for 15 years. She manages finances for the department and the many youth events it sponsors. She is also the logistics coordinator for these mega events, the largest of which are the summer SuperWOW camps for middle and high school students. Other youth events include Impact and the MOVE Conference. Conferences for youth ministers are also provided, both in-state and throughout the Southeastern US. Cindy requests prayer for the upcoming summer events – Impact, SuperWOW and MERGE, that students will be reached for Christ.

#### North American Prayer Request

##### Andrew and Laura Brod

##### Twentynine Palms, CA

Andrew is a chaplain for the Third Light Armored Reconnaissance Battalion in California. “Pray for the Marines and Sailors of 3rd LAR as some prepare for deployment and some are soon to return home from deployment. Pray they will be open to the gospel of Jesus Christ and hunger for His righteousness. Pray that those who are currently meeting with me will surrender their lives to Christ.”

#### International Prayer Request

##### Gujarati of India

One of the greatest needs of new believers in Gujarat is discipleship and deeper training in understanding the Bible, as well as how to share it with others. Though many new believers will begin a discipleship program, it is sadly true that many will drop out. For some, it is due to the fact that no one is available to disciple them. For others, it is due to persecution from people in their village who do not want them to learn more about following Christ. This is true of one young man whose Hindu family is forcing him to marry a Hindu woman, and preventing him from meeting with believers. Please pray for new believers who long to know more about Jesus, following Him, and serving Him.
