

Georgia Baptist Convention

Alan Folsom

Alan serves as the specialist in the Discipleship Ministries Department. His primary focus is to partner with churches, associations, and regions to strategically engage in making and equipping fully-devoted followers of Jesus Christ. Alan previously served Georgia Baptists as a consultant in Sunday School/Small Group Ministries. Please pray for him as he assists churches in the ministry of discipleship.

North American Prayer Request

Scott and Mary Martin North Little Rock, AR

Scott is a hospital chaplain serving at a children's hospital in Arkansas. "Please continue to pray for open doors to share the gospel with hospice patients and also for a new opportunity at a local children's hospital. About one month ago the Lord blessed me with an on-call position at Arkansas Children's Hospital. It is an amazing place with many people having myriad needs. Also, please pray that each of our four children (Will, Marie, Caleb and Sarah) will love God and people with everything they are and have. Blessings!"

International Prayer Request

Bangalore Hospital, Karnataka State, India

Thank you for praying that God would provide more Christian doctors as part of the hospital staff. Praise Him that a new specialist in internal medicine joined the hospital recently! Pray that others can be found for vacant positions. Ask for Christians on the medical staff to be faithful in witnessing to colleagues.
