# First Baptist Duluth

#### **Georgia Baptist Convention**

#### Warren Skinner

Warren has served state missions for 30 years, and is campus minister at Georgia Tech. Please pray for the ministry of BCM as staff and students grow together in Christ and reach out to those on campus who don't yet know Him. Pray for students who are becoming adults. Pray for their hearts and minds, hands and feet. Pray for wisdom and willingness. Pray for their ability to focus and learn and to apply what they learn. As your students leave home for campus life, please connect them with the BCM campus minister on that campus. BCM is the cooperative campus ministry of Southern Baptists and serves as the bridge between local church and campus life.

#### Bashkir of Russia

The Bashkir of Russia, numbering 1.3 million, are unreached with the gospel. They are part of the Ural-Siberian people cluster within the Turkic peoples affinity bloc. Globally, this group totals more than 1.4 million in six countries. Their main language is Bashkir. The primary religion practiced by the Bashkir is Sunni Islam. Approximately 75 percent of Bashkir people in the Russian Republic of Bashkortostan farm in villages. They often come to larger cities to sell their produce and milk products. At this point, there are an estimated 100 Bashkir believers in Bashkortostan, Russia. The Bashkir New Testament has recently been completed and is being distributed. The "JESUS" film, as well as some other small resources, are also available in the Bashkir language. Please pray for the salvation of the Bashkir of Russia.
