

## **Senior Interior Designer**

(revised 7/28/15)

Bernardon, an architecture, interior design, and landscape architecture firm with offices in Chester County, Pennsylvania, and Wilmington, Delaware, seeks a creative and passionate Senior Interior Designer with minimum five years of demonstrated experience in healthcare, institutional, and commercial/office design. Design Professional shall possess a Bachelor's degree in Interior Design with successful completion of the NCIDQ exam preferred.

Successful candidate will be responsible for project management including developing and meeting project schedules and budgets; client interaction and client satisfaction; and independently managing multiple small to midsize interior design projects through all aspects of the design process including design, documentation, and construction phase services. Responsibilities may also include supervision of junior designers during a portion or all of a project.

Candidate must be proficient in the development of program documents and generation of space planning concepts; researching, selecting, and specifying furniture, fixtures, finishes, and accessories; and documentation of architectural technical drawings and design details.

Strong graphic, written, and verbal communication skills and proficiency in AutoCad and Revit are essential.

To apply, send resume and work examples to: Timothy J. Cassidy, Principal, Bernardon, 425 McFarlan Road, Suite 200, Kennett Square, Pennsylvania 19348, [tcassidy@bernardon.com](mailto:tcassidy@bernardon.com).
