Distribution of information by a community group in accordance with District 97 policy does not imply, directly or indirectly, that the group's program(s), event(s) and/ or service(s) is sanctioned, sponsored or endorsed by the district, the Board of Education or the superintendent.

The Smart Love Approach was developed by Martha Heineman Pieper, Ph.D., and William J. Pieper, M.D., and is described in their book *Smart Love*. The Natalie G. Heineman Smart Love Preschool offers classes for three to six year olds, and parent and child programs for children six weeks to 36 months. Smart Love Family Services provides counseling for children and families based on the Piepers' therapeutic approach, Inner Humanism[®]. Parenting programs include private parent coaching, educational seminars (co-sponsored by the Intrapsychic Humanism Society), parent training and support programs, and publications. © 2015 Smart Love Family Services is an Illinois-based 501(c)(3) nonprofit organization.
