

The Catholic Consortium of Lake County (CCLC) schools, united this year to further develop a new model in Catholic education and school vitality, are embarking on a momentous fundraiser event which will benefit St. Mary of the Annunciation preschool & elementary, Transfiguration Catholic preschool & elementary, and Frassati Catholic Academy.

Our goal is to have 300 people attend CCLC's Casino & Auction night on Saturday, April 25, raising \$45,000.

Join Father Ron Lewinski, President for Mission of CCLC schools, Merry Quinn, Regional Director Office of Catholic Schools, Renee Luhr, CCLC Board Chair, Pat Strang, Dr. Diane Vida, faculty and other special attendees in the celebration of our students and schools.

Get ready to be loud – speak up and out bid your CCLC friends for these fantastic auction items. Looking for something special to liven up your student's day or savor for Fall? Here you go! Auctioneer Mike Mayer will host the auction ruckus.
