**"Creating a Legacy for Your Church's Future"**

**Seminar**

**Saturday, April 16, 2016**

Does your church have a Legacy building plan designed to equip your future ministry? The Council on Development of the West Ohio Conference on Saturday, April 16, 2016,

at West Ohio Conference Center, 32 Wesley Blvd, Worthington, OH 43085.

Key note speakers will focus on the theme "Money, Passion, & the Pursuit of Significance" and "Understanding Pockets of Giving for Legacy Strategies." This is a day dedicated to helping you, the local church, in understanding why the development of a pro-active planned giving program is essential to your future.

With an anticipated 42 trillion dollars of wealth to be transferred in the next couple of decades, a strategic approach to planned legacy giving is vital.

Non-profits are intentionally encouraging their supporters to remember the organization in their estate planning. The church can benefit from legacy planning as well, but requires an intentional strategy to benefit from this transfer of wealth. Recognizably different churches are in a wide spectrum of experience with their planned giving programs thus the Seminar will provide breakout sessions to address different church needs.

Some churches simply need to encourage members to have a will while others have sizable endowments and require assistance to manage these funds to advance mission without impairing the faith generosity of their members. Every local church, regardless of their current program can benefit from investing the day with the speakers and topics offered.

The breakout sessions are as follows:

**"Who Get's Aunt Mamie's Diamond Bracelet"**

Mr. Lloyd Fisher

**"The Magic of Endowments: The Gift That Keeps on Giving"**
