

Ecumenical Theological Seminary

in conjunction with Noel Night Presents:

Story Tyme: Recreating the Magic

Saturday, December 5, 2015

Noel Night

Time: 5PM to 8PM

Remember that special feeling you had as a child when someone read you a story? You felt cared for, nurtured, and drawn into the wondrous world of the illustrations and the words. Perhaps those experiences put you in touch with your own creative spirit and so linked you to the Creator. No doubt about it, being read to as a child had a profound and lasting effect on us all. And let's not forget that most of those stories were just plain fun!

On Saturday evening, ETS Students will be recreating that special atmosphere by reading stories.

**Refreshments Served
Children of all ages are invited.**

There will be chairs, but bring a cushion or an afghan if you like and dress comfy!
