

# JOURNEY INTO MYSTERY

A DAY RETREAT – OCTOBER 2015  
at the Song and Spirit Institute for Peace

with Bro. Al Mascia, OFM, Maggid Steve Klaper & Mary Gilhuly

**SATURDAY, OCTOBER 17, 2015**

**Doorways, Portals and Cracks in Time**

There are interior spiritual places we have forgotten exist or, if we do remember, we've forgotten how to get there. Time is not what we think it is. A doorway is not always merely a doorway, and we are not always going where we are going for the reasons we think we are.

Join us on a mystical and illuminating interfaith adventure to the "inside of the inside." These are experiences about going somewhere else. Each faith tradition supplies its own unique booster rocket to push us higher, deeper – but it seems neither Jews, nor Christians (nor Muslims or Hindus, etc.) were given all the booster engines or all the rocket fuel. Join us in a unique exploration of the mysterious landscape of our souls.
