

Uncovering our Sacred Texts

An Interfaith Panel Discussion on the veneration and importance of our holy texts.

We conduct these interfaith events to increase respect and understanding for the diversity of faiths, cultures and races. Bringing people together to further understanding of our similarities and our differences helps to reduce prejudice, which, if left unchecked, can lead to hate and violence.

Our panelists:

Muslim: Achmat Salie, University of Detroit-Mercy

Catholic: Brother Al Mascia, Song and Spirit Institute

Church of Jesus Christ of Latter-day Saints: Larry Cleveland
