About Pepco

Pepco, a public utility owned by Pepco Holdings, Inc. (PHI), delivers safe and reliable electric service to more than 801,000 customers in Maryland and the District of Columbia.

Job Summary

Location: Washington, DC and Forestville, MD
Hourly Rate: \$30.55 per hour

Receives training and performs assignments (with supervision) involving processing, design and modification of engineering and or construction plans for service connections, distribution projects and related work.

Requirements

- Associate's degree in Engineering, Engineering Technology or related field OR two years of college level engineering course work OR the equivalent combination of education, training and/or experience.
- Experience using drafting and Computer Aided Drafting software.
- Experience reading and interpreting construction plans and/or engineering drawings.
Experience following technical instructions or procedures (for example, operating procedures, standards, code requirements, specifications).
- Experience performing mathematical computations involving algebra, trigonometry and geometry.
- Experience using PC-based word processing, spreadsheet and e-mail software to perform work functions (for example, communicate with others, create and modify letters, perform calculations).
- Ability and willingness to work overtime, holidays, weekends, and during emergency conditions and storms as required.
- Ability and willingness to perform physical tasks for extended periods of time (for example, lifting, entering/exiting manhole covers, climbing ladders and scaffolding, bending, twisting, kneeling, crawling, pulling/pushing, standing, walking, and squatting).

- Ability and willingness to work in a variety of work environments including outdoors in all weather conditions, on or around energized equipment, in confined spaces, underground, in heavy traffic and in noisy and dirty environments with proper Personal Protective Equipment (PPE).
- Ability and willingness to obtain a DOT card to operate company vehicles.
- Must successfully pass a Criminal History Background Check which consists of a criminal records check for felony convictions.
- Must successfully pass a medical screening to include a drug test.
