

WELCOME BACK

Wednesday, Aug. 31 | 11 a.m. to 3 p.m.

WKU South Lawn

Western Kentucky University is a significant contributor to our successful business climate. Welcome Back WKU gives Chamber partners the first opportunity to tap into this market. In turn, students are able to see what Bowling Green businesses have to offer, without leaving campus.

Welcome Back WKU continues to grow each year as interest booms on campus and in the business community. Be a part of our biggest year yet!

Are you hiring? We're bringing back our Hiring Hot Spot option this year! Promote your open internships, along with full- and part-time positions, at your booth.
