# Classic

Friday, November 22<sup>nd</sup> 2013, 11AM  
Trump National Doral Resort – GREAT WHITE

FirstBank Florida invites you to tee-off on November 22nd, 2013 as we host a charity golf tournament to raise awareness and funds for local nonprofit organization, ASPIRA of Florida, Inc.

FirstBank Florida is led by Calixto Garcia-Velez, EVP, Florida Region, who added, "We are very involved in the communities we serve and our support of ASPIRA is an important aspect of our bank's commitment to Florida."

A landmark presence in South Florida for over 30 years, ASPIRA is one of the largest and most successful, Hispanic nonprofit organizations in the area, yet one of its "best kept secrets." Each year, ASPIRA provides educational and leadership development, counseling, guidance and prevention services to more than 3,000 youth and their families. With Florida ranking third in the nation in terms of highest dropout rates, ASPIRA boasts a 99% success rate of graduating seniors. Not only does ASPIRA equip students with the tools needed to graduate, the organization also sets them on the path to post-secondary enrollment and assists them in the completion.

FirstBank Florida parallels ASPIRA's success and is also one of the "best kept secrets" as it rises through the ranks of recognition in the financial/banking industry. These two institutions form a perfect partnership toward the social and economic development of their mutual communities.

Proceeds from the tournament will go directly to ASPIRA in support of their mission to help economically disadvantaged students successfully complete high school and attend college. Your participation will help ensure equal access to high quality education for all, as well as increase awareness about ASPIRA, one of the best kept secrets in South Florida.

In addition to ASPIRA, FirstBank Florida supports local organizations like United Way, Florida International University's "First Generation Scholarship Fund," Habitat for Humanity, March of Dimes, Centro Mater, Autism Speaks and Autism Charter School, His House, and the American Bankers Association's "Teach Children to Save Day."
