

1st Annual Ron Burton Golf Tournament

Join us for a day of golf in sunny Southern California for the William Ronald “Ron” Burton golf outing. Ron was a renowned code expert. He worked on many code-related projects for ICC, BOMA and the NAHB.

Held in conjunction with the International Code Council’s [2015 Annual Conference](#) and Public Comment Hearings in Long Beach, Calif., the tournament will be a shotgun start held on one of Long Beach’s best golf courses. The tourney will include a 50/50 drawing*, great prizes for the longest drive and closest to the pin, a hole-in-one contest (**with a chance to win a new Mazda 6**) and gifts for all participants. Plus, breakfast and lunch is provided.

The tournament is a fundraiser developed by the International Code Council’s Past Presiding Officers with the support of the ICC Board of Directors. It is an effort to provide training and resources to address the critical need for future leaders in the building safety profession. Funds raised at the golf outing will support the education of new and emerging code officials with training starting in 2016.

Don’t miss this opportunity to enjoy a great day of golf with fellow code and building safety professionals. For details, visit the [1st Annual Ron Burton Golf Outing page](#).

If you are interested in sponsorship for this event, there are still a few opportunities available.
