### ABOUT THE PAC GOLF TOURNAMENT & FUNDRAISER

This tournament offers one playing format: **FOUR PERSON SCRAMBLE:** Players tee off at each hole. The best tee shot is selected and all players will play their second shot from that spot. The best out of each second shot is determined, then all players hit once again from that spot, and so on until the ball is holed. Each player must account for at least three drives.

**PAIRS & RENTALS:** Please note on the registration form if you would like to be paired with any particular player(s) or if you need rentals. Rentals are \$65 per set. In addition, please make sure you include your handicap. If you are a single player, we will pair you with a team.

**AWARDS, PRIZES AND MULLIGANS:** Prizes will be awarded to the top two teams competing. We will also be raffling off various prizes. Each golfer will be given a raffle ticket in their goody bag and will have a chance to win! Golfers will be able to purchase a pack of 4 mulligans at the CAWG registration for \$20/pack.

### ABOUT DEL MONTE GOLF CLUB

Opened in 1897, Del Monte Golf Course is the oldest course in continuous operation west of the Mississippi. Designed by golf and polo enthusiast Charles Maud, this inland course boasts a meandering layout that has challenged golfers for more than a century. It was the original host of the California State Amateur and continues to serve as one of three courses on which the TaylorMade Pebble Beach Invitational is played. Del Monte Golf Course features wide fairways lined with oak, pine and cypress trees and the back nine includes a treacherous par-5, 512-yard 13th hole. Del Monte Golf Club does not have a full driving/practice range, but they do have a putting and chipping green for you to practice your short game.

### HOTEL ROOM BLOCK

CAWG has negotiated a room rate of \$209 per night at the Portola Hotel & Spa, available three days pre-and-post event. The deadline to reserve a room at this rate is **Tuesday, June 28**. Please visit the CAWG website for further details on how to book a room: [www.cawg.org](http://www.cawg.org)

### ABOUT THE CAWG PAC & CENTURY CLUB

Growing winegrapes is a risky proposition. Each year growers confront new and changing circumstances: weather, pests, labor availability and volatile markets. Growers overcome these challenges by working hard, and through continuous learning and adaptation. So how can growers adapt to California's ever shifting political climate? By joining us on Wednesday, July 20, and helping us take action by supporting the CAWG PAC.

**Century Club:** The Century Club is an exclusive way to support the California Association of Winegrape Growers' Political Action Committee. You become a member of the Century Club when you make an annual contribution of \$1,000 or more to CAWG PAC. Your contribution lends winegrape growers a powerful and enduring voice in Sacramento and Washington, D.C. The generous contributions from growers like you to the Century Club support candidates who are willing to hear growers' concerns and who want a brighter economic future for California.

**Contribution Limitations:** Contributions to CAWG's State PAC are limited to \$7,000 per calendar year per contributor. The limit includes both monetary contributions and donated items (at fair market value). Funds will be used to make political contributions to state candidates, and for other political purposes. Contributions shall be voluntary, non-tax deductible, and you have the right to refuse to contribute without reprisal. **All funds are deposited to our State PAC Account, unless instructed otherwise. PLEASE NOTE: If you would like to donate to the Federal PAC, checks must be received from individual contributions.**
