Surf's Up at Broadway's Beach Party VBS

Still Time to Dive In and Register for A Week of Fun

Dude—have you registered yet?

There is still time to get your little surfer signed up for Broadway's Beach Party VBS on July 26-29! Once again, our VBS will be offered in the evening, with a kid-friendly meal served for participants and volunteers at 5:30 p.m. in Fellowship Hall, and VBS fun beginning at 6:00 p.m. Our Beach Party will end at 8:00 p.m. each evening. And don't forget that we will have our traditional VBS Celebration on Thursday, July 30, at 6:30 p.m.!

VBS Supplies Needed

Our VBS planners would like to borrow a few items to add to our Beach Party decor. If you have beach chairs or adult- and children-sized snorkel masks and fins—can we borrow them? Your items will be in safe hands during the week of VBS. If you are willing to lend your

items to VBS, **please bring them to church by this Sunday, July 19.** Check the donation board in the Fellowship Hall for a complete list of items that are still needed for our little surfer dudes and dudettes.

Invite your neighbors to join us for a week of surfin' through the scriptures! Registration forms are available online at the church website and in the church office.

Broadway Ministries

Disciples Gather for Bi-Annual General Assembly

Every two years, the Christian Church (Disciples of Christ) comes together for a time of community, education, mission and ministry. This year's General Assembly will be held in Columbus, Ohio, on July 18-22. Broadway's ministers will be in attendance.

Why is this important? As a congregation, our representatives at the General Assembly give Broadway a voice in the future of the Christian Church. Our ministers will not only serve as our voice, but will also have the opportunity to learn

from and share with their peers. Classes on worship, mission, clergy life and more are offered at the Assembly.

If you would like more information about the General Assembly, you can visit www.disciples.org for a link to the event website. Check Broadway's Facebook page next week for

postings from the Assembly.

Please keep all of those at the General Assembly in your prayers as they discern the course for our denomination.

Stephen Ministry

A Stephen Minister offers one-to-one Christian friendship and caring, provided by lay leaders who have completed Stephen

Ministry's extensive training.. For more information, please contact Jim Dunne (474.8105), or Keith Boles (817.1871).

Rocheport Bluegrass Returns August 1

Maybe one of the reasons that July seems like such a looonnnng month is that we missed our bluegrass!

Never fear, Rocheport Bluegrass will return on Saturday, August 1, at 5:00 p.m., at the Rocheport Christian Church! Expect a full house—a lot of folks got their first taste of the music and flavor of this special service at Broadway's Annual Meeting—so the “secret” is out!

The Rocheport Bluegrass ensemble offers us the gift of their musical talents each month. Several Broadway members play with the group, including Jim Stallman, Lyle Johnson, Nancy Miller and Kathy Carson. The music and hymns are familiar and everyone is invited to sing along with the band.

Many Broadway members and friends make an evening of it in Rocheport on the first Saturday of the month. There are also wonderful restaurants in Rocheport, so consider taking some friends along and enjoying an evening of worship, music and fellowship.

Supporting the Christian Church of Mid-America

I have served on the Christian Church of Mid-American (CCMA) budget committee for at least six years, and as committee chair for the past four years. The budget committee's role has expanded over the years from that of focusing solely on developing a biennial budget to one of closely reviewing and monitoring income and expenses on a monthly basis, making (sometimes painful and unpopular) spending reduction recommendations to the executive committee, and almost literally determining how to creatively "rob Peter to pay Paul."

One might ask why I have continued to volunteer to work on this committee - and it is a reasonable question. The most compelling reason is that I believe that God is present in and working through the Christian Church of Mid-America. I believe the "faithful remnant" that remains following cuts and eliminations is strong, and is filled with the same Spirit that empowered the early Christians on that long-ago Pentecost. I am excited about the visionary work that has been happening over the past few years, and I strongly feel that CCMA is transforming and becoming a body that can ably "resource and support congregations individually and collectively, as they seek to be more faithful, effective, and sustainable in the mission to which God calls us" (excerpted from the CCMA Mission Statement). It is true that our inability to financially sustain "the way we were" has been

a key factor in determining the need for change; however, I really believe that God has used this situation to "do a new thing" in Mid-America. I see mission and ministry replacing administration and bureaucracy, and I praise God for this.

I can assure you that your gifts to CCMA will be used to provide mission and ministry to our congregations in the most effective and efficient way possible. Todd Adams, our Associate General Minister and Vice-President, put it very simply: "Congregations in the Mid-America Region can choose to continue their area giving as a designated gift to the Region, not subject to the Disciples Mission Fund (DMF) allocation formula. These congregations should also make a gift to DMF....Designated gifts do not have a negative impact on the region's distribution via DMF."

In my local congregation, we celebrate the "joy of giving" each Sunday as we give back to God a portion of the abundance we have received, knowing that our gifts support ministries and missions about which we care deeply. I am excited to now feel that way about our giving to the Christian Church of Mid-America!

MOMOM Offers Free Dental Care

What is MOMOM? It is the Missouri Mission of Mercy, a state-wide

outreach sponsored by the Missouri Dental Association. For two days at one location in the state each year, all forms of dental care are offered at no charge to the patient. That's correct—free dental care.

This year's event will be held at the Hearn Center in Columbia on July 31-August 1.

There is no pre-registration for patient care, and it is offered on a first-come, first-served basis. In past years, lines have begun to form the night before the doors open, so expect a long wait.

People who need dental care and cannot afford it will travel from across Missouri for treatment. All levels of dental care are available, from cleaning to root canals to dentures.

Volunteers who can serve in administrative roles, as well as guides and hosts are needed! If you can give a few hours of your time to this remarkable outreach, please visit the MOMOM site at www.momom.org.
