ASQLA Chair's Message

February 2016

Fellow quality professionals, greetings!

Congratulations on your career and your involvement and continued interest in ASQ and your ASQ Los Angeles section. As volunteer leaders, we pool our time and efforts to maintain our organization and assure that your membership participation yields valuable experiences.

We hosted a 2-Day Risk Management workshop at the Holiday Inn in Torrance on January 14th and 15th. Many thanks to our Instructor Barry Craner, and kudos to our local attendees as well as attendees from afar. The instructor presentation as well as excellent interactions with attendees created quite a synergy of learning and engagement. Preliminary quantitative survey results were very positive. I can't wait to review the comments.

For your February member meeting, we have arranged with Manuel Marco to give us a presentation concerning the new ISO 9001: 2015 standard. Hope you can make it!

Stay informed, stay involved, keep voicing your feedback, and inquire about opportunities.

Cheers!
