

TOP SECRET

Campers will enroll in specialized training to earn their spy credentials during this week of TOP SECRET training. We are only able to share non-classified information here, but be prepared for training missions that involve investigating fingerprints, cracking codes, building a marshmallow shooter and conquering a mission impossible obstacle course complete with water lasers.

JUNE 27-30, 2016 SPY SCHOOL

Contact the CMCS office to register for this week of TOP SECRET FUN!. Take advantage of our early bird registration prices for reservations made by May 20th.
