

“Common Core: War on Kids, Teachers & Parents”

In a special meeting, Craig Huey reveals 7 shocking education trends which will destroy – or save – our kids.

You’ll discover in this concise, actionable talk about the surprising but little known impact of common core in Palos Verdes, Torrance...and across America.

In the fast-paced overview, you’ll discover:

- What Common Core is and isn’t...
- 3 reasons kids & teachers are rejecting Common Core.
- Which kids succeed...and which don’t.
- Why more money isn’t working.
- What parents, grandparents and taxpayers can do.
- Tenure & predator teachers: why the silence?
- New lawsuits that can change American education forever.
- Warning: private & Christian schools...charter schools...and homeschooling...all are in danger...here’s why.
- The #1 thing to do that will turn education around.
