

Your Money is Looking for You!

After a quiet opening in May 2015, and opening to all eligible members in January 2016, we are off to a great start and ready to grow and serve all levels of the Synod. One way we are serving members is by providing personal financial recommendations on how to reduce home, auto, and personal loan interest rates. One member in Illinois is saving over \$300 per month after consolidating her debt. She is not alone! We hear of members saving on a daily basis, increasing their ability to pay down debt faster and enjoy greater financial health! Give us a call and let us help you too!
