

The Center for U.S. Missions *presents ...*  
**Mobilizing the Mission of God—A Mission  
Convocation**

A joint effort of SWD and NWD to mobilize pastors  
and people for mission

*“This one-day mission convocation invites participants to learn some basics about new ministry/new church reproduction as they explore how God is calling them to engage in His mission. It will reduce the fears and uncertainties that so often surface when thinking of church planting. Here’s a simple, no-risk way to peek into the exciting world of church reproduction.”*

*“If we focus only on preserving what we have, we are dying. But our church, our faith, our ministry is not about death and dying. The Gospel message is about life in our Lord Jesus and living for Him. If we truly believe the message we cling to, it is time for us to plant new congregations.”* Rev. Dr. John Wille, President, SWD

*“Whether you live in a small town or a large city, we have the opportunity to plant a church or new ministry. As it states in our Synod’s mission statement: we are to ‘vigorously make known the love of Christ by word and deed within our churches, communities and the world.’ This workshop will enable us to see how we can engage those around us in our settings. The opportunity is now!”* Rev. Dwayne Lueck, President, NWD
