Our calling as Christians includes helping our family, neighbors, and fellow members in their time of need. St. Paul's has a family that is in need of our prayers, our financial support and our moral support.

Adults: 13+ \$10

Children: 6-12 \$5

Children 5 and under: FREE

In 2014 Aaron Kagerbauer suffered a massive heart attack at the young age of 31. After this, he learned that he had Reduced Ejection Fraction (HFREF), or, systolic heart failure. At this time Aaron and Catrina had a two-year-old son and were expecting their second child.

Aaron was receiving treatments that were improving his heart function when their daughter was born. However, a LifeVest external defibrillator and a Subcutaneous Implantable Defibrillator were not able to improve the functioning of his heart. He is now on a waiting list for a heart transplant.

The Kagerbauer's great faith is sustaining them through these very difficult times. In addition to praying for this young family, we have the opportunity to help with their mounting medical bills. Our St. Paul's family and the staff of Trinity Early Childhood Center, where Catrina serves as director, are co-sponsoring this special fund raiser.

The Kagerbauers have been active members of St. Paul's since 2009. Here are a few ways you can help with this project:

Pray for this family.

Donate spaghetti sauce, spaghetti noodles, bags of salad, salad dressings and bread.

Volunteer to help cook, serve, or clean up (*call the church office*).
