**This Directory is a true resource as it goes places where it will be found and used. Not only is it on the desks of fellow Chamber Members, it will also placed in the brochure rack at the front of our Pittsburgh Mills office (open to the public at all times), other public locations such as legislative offices, real estate offices, libraries, and given to newcomers who contact our office.**

Because so many members join the AK Strong Chamber to participate in the Expo, we will be publishing our directory each year at the beginning of the second quarter!
