About the training:

The Provider Advisory Council of Smoky Mountain LME/MCO and OPTUM360 have partnered to provide an in-depth coding and billing training for providers.

OPTUM360 offers a comprehensive ICD-10 education and training program that helps ensure provider organizations are adequately prepared for the transition to ICD-10.

Topics covered in the training include:

- Benefits of ICD-10-CM and differences with the Diagnostic and Statistical Manual of Mental Disorders (DSM)
- Guidelines, conventions and principles for key areas of focus: mental, intellectual and behavioral, nervous system, injury and poisoning and health status
- Processes for appropriate code selection
