

HOME AND COMMUNITY BASED SERVICES (HCBS) Provider Self-Assessment Training

In 2014, the Centers for Medicare and Medicaid Services (CMS) provided new rules about what it means to live in a community setting. As a provider of services covered by this rule your participation is necessary to:

- Help make the vision of improved community access and quality of life for people receiving waiver support real.
- Help build our system's strengths to meet requirements of the HCBS Final Rule
- Participate in the Provider Self-Assessment Process.

Please refer to the DHHS website <http://www.ncdhhs.gov/hcbs/index.html> for additional information regarding the NC DHHS HCBS Transition Plan.
