Come join team 125, the NUTRONS, as we host the 2016 FRC Kickoff!!

Teams can participate in a live viewing of the kickoff broadcast, interact with a playing field, participate in several seminars and pickup their kits!

We have plenty of space and strongly encourage you to bring your whole team out. For teams larger than 15 student members, simply email us ahead of time so we can ensure we have ample space for you and your team.
