

Question from Client:

Q: For HUD properties, is there a list of sources of income we should not include as income when we process applications and recertifications?

A: Yes, there is a list that HUD has provided in 4350.3. This information is located in the **Exhibit 5-1. In the **Income Exclusions** section of the **Exhibit 5-1**, you will find a list of the types of incomes that should not be included when determining income eligibility.**
