

Cribbage Club Permission Slip

What is cribbage? Cribbage is a two person card game invented by Sir John Suckling, a British poet and knight, around 1635. It uses a 52-card deck and Cribbage board with pegs to keep score. Cribbage is an engaging way to practice math facts. When playing cribbage, a student practices math facts, looks for patterns, develops working memory by having to think out a strategy, holds played cards in working memory, and has fun!

Where and when is Cribbage Club? Cribbage Club will be held after school on Mondays. **Session 3** runs **APR. 11 through MAY 23** in the **library**. It will run from **2:45 until 3:45 pm**.

Who can participate in Cribbage Club? Session two will be offered to students in grades 2 through 4. No charge for participants.

Student Name: _____ Class: _____

Parent/Guardian Name: _____
