Learning Leagues – *Intermediate, ages 10-16*

Bay Meadows Learning League is designed to incorporate a group lesson combined with on-course play. Each week kids will have a team lesson led by Coach Scott Wilson and other Bay Meadows instructors that will cover a specific swing and short game principal, followed by a 9-hole team scramble format on the course. Create your own league team of 4-8 players or sign up and we will match you on a team.
