

# RECYCLE MORE TO SAVE MONEY

Your rate is based on the size, number of carts and/or bins, and frequency of your garbage service.

## RIGHT SIZE YOUR SERVICE

Recycle everything possible using your recycling carts or bins, and reduce your business' garbage service.

\*Reducing your garbage service will require a free on-site assessment by a Recycling Coordinator to determine your needs

## SAVE UP TO 30% WITH ORGANICS

Commercial Composting and Food 2 Energy services cost less than garbage service. Keep organics out of the landfill and save money!

## WE'RE HERE TO HELP!

### FREE SERVICES FOR COMMERCIAL CUSTOMERS

- On-site assessments of your recycling, organics, and garbage needs
- Waste audits to see what doesn't belong in your garbage
- Personalized service estimates & cost savings proposals

## YOUR COMMERCIAL RECYCLING TEAM

Our Commercial Recycling Coordinators will work with you and your employees to help you recycle and compost even more. Call 415-456-2601 to schedule an appointment.

## RECYCLING: IT'S THE LAW

California law, per AB 341, requires all businesses that generate more than 4 cubic yards of garbage to recycle. And, starting April 1, 2016, AB 1826 will require all businesses that generate more than 8 cubic yards of organic material a week to subscribe to organics recycling service.
