

Strategies to Inspire Healthy Workplaces

by Dr Cindy Clark, PhD, RN, ANEF, FAAN

Sponsored by:

Health Workforce Initiative

This interactive and highly engaging workshop describes the scope and impact of incivility and provides practical, ready-to-use strategies to foster a civil, professional environment by providing strategies for transformational change and detailing a clear pathway for achieving results.

Dr. Cindy Clark,
PhD, RN, ANEF, FAAN

Objectives

- The "State of the Science" regarding civility and incivility in the workplace.
- Discuss the impact of workplace incivility on individuals, teams, and organizations.
- Apply a variety of evidence-based strategies to promote civil, healthy workplaces.
