TIS THE SEASON TO GIVE THANKS

Operation Thanksgiving HIGHLAND

Join us for a warm and friendly **FREE Community dinner**, with all the trimmings at the highland Family YMCA. This event is open to the community at large and you don't have to be a Y member to participate. The Y with support of our community partners welcomes Highland through our doors and into our family as we break bread with all of you over a hot turkey dinner. Be sure to tell friends and family about this event so that we all may share and come together to give thanks this holiday.
