

LOMA LINDA UNIVERSITY
Community-Academic Partners in Service

Dear Student:

I would like to thank you for your interest in attending the *Winter 2015 My Campus*. The main purpose for this event is to expose minority high school students to the health professions in hopes that it will increase the representation of minorities in the field. These events are particularly unique because not only do you have the opportunity to engage in activities that will make you more familiar with the health professions offered at Loma Linda University, but you will also have the opportunity to personally engage in one-on-one interaction with Loma Linda University students.

On February 28, 2016 *My Campus* will be held at Loma Linda University Drayson Center (25040 Stewart Street, Loma Linda, CA 92354) from 12:30pm-6:30pm. Students accepted to participate in the event will have the opportunity to engage in activities that will increase their knowledge of **Behavioral Health, Pharmacy and Nursing**. High school students will also engage with Loma Linda University students and have the opportunity to ask about their personal experience in college/graduate school through speed mentoring and a dinner mixer.

In order for students to be accepted:

- Applications must be received by **February 12th (end of day)**. *Space is limited to 60 students, we strongly advise applicants to submit a strong application early.*
- Applications can be e-mailed to LLUpipelines@llu.edu or faxed to (909) 558-7145.
- Applications received after **February 12th (end of day)** will NOT be accepted.
- The Loma Linda University waiver and release form must be signed by a parent or guardian for students to participate in the event.
- *The dress for this event is business casual with comfortable shoes! You will be walking a lot! No jeans. No t-shirts.*

If you have and questions about the event, please contact Keshia Sanders.

We look forward to your participation!

Sincerely,

Keshia M. Sanders M.A. PhD (c)
