INAUGURAL INLAND EMPIRE FATHERHOOD CONFERENCE

The Inland Empire Father Involvement Coalition (IEFIC) would like to extend an invitation to those agencies throughout the community providing services for fathers and activities to participate as a vendor in the **Inaugural Inland Empire Fatherhood Conference** on Saturday, August 15, 2015 at Inland Regional Center Conference Center-1365 S. Waterman Ave. San Bernardino, CA. 92408. This conference will include speakers and workshop presentations throughout the day with the focus on father involvement.

We are inviting community-based organizations, non- profit organizations, government agencies and faith-based organizations providing services for fathers and their children in San Bernardino County to participate with a resource booth/table. Services provided by your organization or group should be father-focused and/or help create, support and strengthen lasting relationships between fathers and their children and families. The conference will be open to the community and will be attended by fathers, kinship caregivers, resource (foster) and relative caregivers and their families. Participants will include fathers of all ages and stages of fatherhood and encompass all levels of education, economic background and life experience. We would like to provide our fathers and father-figures with a wide diversity of information, resources and services to promote safe and healthy families with a focus on the importance of father involvement. **We ask that vendors be prepared to have information regarding the services provided by your agency. For example, if your agency provides parenting classes, please have the sign- up sheet, registration form, etc available in order to immediately engage the participants with services when they visit your table.**

The vendors will be located indoors. Please stop by the vendor registration table to check in and receive information regarding the activities for the day. One table and 2 chairs will be provided, but you must provide your own tablecloth. **Vendors may arrive to set up at 7AM and should be set up no later than 8AM. The conference begins at 8AM and will conclude at 3:30PM. Lunch will be provided to all vendors.**

Please join IEFIC and our sponsors, Operation New Hope, San Bernardino County Children's Network, Inland Regional Center, San Bernardino County- Supporting Fatherhood Success, , First 5 San Bernardino, 211 San Bernardino County, and many other partners, in this collaboration to support fathers. Please complete the resource table registration form included with this letter. **Please note, there are a limited number of vendor tables (20) available. In the event that the number of registrations received exceeds the number of slots available, a review will be conducted to insure a diversity of services will be offered our participants.** A confirmation letter will be sent out to those agencies selected to participate. Forward the registration and any questions regarding this event to Doreen Ivery @ (909)388-1969, divery@hss.sbcounty.gov .
