

The Event: Harvest Celebration

The Georgia Agribusiness Council (GAC) looks forward to hosting industry friends and leaders on **Friday, November 18, 2016** at its annual Harvest Celebration. Over 850 guests attended the gathering last year. With this being GAC's 50th anniversary year, attendance is expected to top **1,000**.

The Event's Importance:

GAC's Harvest Celebration provides an opportunity for leaders from every commodity group and service sector to gather in a festive salute to Georgia's diverse agribusiness industry. Harvest Celebration offers many opportunities to

support agribusiness and the Council. The evening includes a supper containing many Georgia grown products, top entertainment featuring **Jeff Foxworthy**, and the popular Silent Auction and Field of Dreams Reception.

Harvest Celebration is a very important event for the Council. The proceeds support our program of work objectives, including state and federal legislative monitoring on issues including tax exemptions and environmental regulations. They also support our investment in agricultural education programs, including FFA and 4-H.

How You Can Sponsor:

Your support of the Silent Auction and/or the Field of Dreams Reception will make the evening a big success. **We hope you are willing to show your strong support for Georgia agriculture and invest in GAC by becoming a special anniversary sponsor. All sponsors will be listed in the program and will receive additional recognition with signage.**

The varying sponsorship levels are detailed in the attached donation form or [online](#). With this being our special anniversary year, sponsorship opportunities are limited. If you have any questions, please feel free to contact Anna Strickland at astrickland@ga-agribusiness.org or 706-336-6830.

The focal event of the year for agriculture and related sectors.
