You'll learn:

- How to read body language
- How to get people to like you using only body language
- How to easily get others to buy in to your ideas
- What message is hidden in a handshake
- How to uncover deep truths
- How to detect lies
- And MUCH more

About Traci... A body language and persuasion expert, speaker and author. She speaks globally and is a frequent guest on TV interpreting the body language in current events. She's the author of **Body Language Confidential** and **Body Language for Profits**. Ms. Brown is a 3 time US Collegiate Cycling Champion.

Do you know how to instantly read your staff & clients or even your family? Can you tailor your body language and arguments to fill their unconscious needs so that you can easily hear "Yes"?

This project made possible by a grant from **travel IOWA** the Iowa Tourism Office in partnership with Western Iowa Tourism Region

Traci's session is about one of our communication tools & part of our Leadership Initiative.
